May 17, 2020 Meeting Minutes

Meeting was held virtually via Zoom. Called to order at 5:02 pm.

April meeting minutes were approved as written.

Sweeney Todd update:

Not much of an update since last meeting. Stay-at-home order still in place as of meeting date.

Joel will reach out to OHS principal to ask what the plans are for the building over the summer. OHS graduation is still planned for the end of July.

Things are still up in the air because of the guidelines around group singing.

There was a possible conflict with CCT show, but that's been resolved.

Other business:

Mark raised the idea of doing a possible broadcast of the archival recording of Les Mis. He will check with MTI to see if that might be a possibility.

Scholarships: an awardee reached out to see if money could be disbursed before receiving a final grade point average. The current rule is that recipients must submit proof of enrollment before receiving the money. Decision to not make an exception.

Building: lawn needs to be mowed; Joel is following up. Joel put a new tarp over the shed because it was in rough shape.

Programs: Sierra reached out to Footlights to see if digital programs are a possibility. They are an option if we want them.

Action items:

- Reach out to OHS president to see what's up with the building this summer (Joel)
- Contact MTI to see if broadcasting archival shows is a possibility (Mark)
- Take care of lawn at the building (Joel)

The next meeting will be on Sunday June 14th at 5 pm via Zoom.

Meeting adjourned at 5:22 pm.

Stephanie Drahozal
