No notable changes.

Performance Updates

Jen spoke with a member of VACT to discuss virtual performance logistics. Seems that ASCAP will be the best way to go about licensing, and Jen and Helena will have to do some planning before applying to rights.

Stephanie will send out survey with one act options, pick a date, and will get a cast/casts formed.

Depending on vaccine rollout, it is possible that a small live show could be produced in the fall, but we will more likely be waiting until the spring. Smaller performance venue possibilities were discussed (Prairie View School, Methodist Church, etc).

Scholarships

Application information is up on the website and an email has been sent out.

Next meeting will be held Monday, March 22nd over Zoom. Meeting adjourned at 7:15pm.
