Treasurer's Report

Profit/Loss: We have a \$1,000 donation and have paid our sales tax (\$1,113.98) for Sweeney Todd and our 40th Anniversary Celebration. Our net operating revenue after the 40th Anniversary Celebration was \$-11,796.83. We have about \$13,500 in our checking account and about \$3,700 in our savings, for a total of about \$17,300 in our account

Q and Tina will be getting together to sent receipts out to our Shining Stars for 2022.

Building Stuff

The roof will likely need to be looked at by a professional in the spring to get a quote on pricing to get it fixed. Once we no longer need to use the furnace, we will also have someone come in to look at the furnace as we have had some issues with it lately.

New Business/Upcoming Shows

There has been progress made on *Beauty and the Beast* for our Summer 2023 production. The audition dates and times have been set and the updated script has been acquired.

When brainstorming for community outreach, we have to keep in mind that we cannot always commit to daytime performances during the summer as most of our membership works during the day. There is possible interest in participating in Oregon's Summerfest parade again this upcoming summer. The idea of caroling around the holidays was also brought up as a way to engage with the community. Stephanie is going to reach out to the Oregon Chamber of Commerce to see if there are events set for 2023 that would be opportunities for OSHP to perform/participate in. Tina is going to reach out to a contact she has at the Oregon Public Library about seeing if OSHP would be able to come in and either read stories or a small event using their community room. We will be doing more research on potential businesses in the area that we could partner with to expand our community interaction.

We will be suspending the scholarship program and will revisit the program in December 2023

The next meeting will be March 5th at 6pm at the OSHP warehouse (weather pending).

Meeting adjourned at 7:03pm.
