

We have allocated \$2500 for scholarships for college studies and for arts-related camps and workshops during the 2021 calendar year:

- \$400 scholarships to Straw Hat members pursuing college studies.
- Scholarships to camps and workshops to Straw Hat members 18 years of age or younger for 50% of the cost of the activity, exclusive of transportation to and from the site.

The minimum award is \$50 and the maximum is \$400, regardless of the 50% guideline.

Camp/workshop activities must complete by December 31 following the application period.

An individual may only apply for one type of scholarship. An individual may only receive college scholarship support for four years.

Initially, \$1600 is designated for college scholarships and \$900 for camps and workshops. Applicants in each category shall be ranked and awarded separately. If college scholarship applications do not reach the full allotted amount, the remaining funds will be allocated for camps and workshops.

If applications for camp/workshop applications do not reach the full allotted amount the application deadline will be extended to September 1, 2021, on which date any remaining funds will be re-allocated to college scholarships if unfunded applications remain.

Applications must be submitted by plain text email (no attachments) to scholarships@oshponline.org, by 11:59 pm on April 18, 2021. The application email must contain the following information:

- List of all OSHP productions in which the applicant participated.
- Role(s) or duties the applicant fulfilled in the OSHP production(s).
- The applicant's current 4-point scale grade point average (high school GPA for camps, workshops, and seniors applying for college assistance, college GPA for continuing college students).
- For college scholarships, a narrative of 300 words or fewer expressing what the applicant learned from OSHP participation.
- For college scholarships, the field(s) of study the applicant intends to pursue and the college the applicant attends (or plans to attend).
- For camps and workshops, the cost of the activity.
- For camps and workshops, a narrative of 300 words or fewer describing the activity's curriculum and expressing what the applicant hopes to gain from the activity.

The OSHP Board has the right to verify all application information. Incomplete or falsified information will disqualify the applicant. OSHP reserves the right to quote from narratives in promotion and other materials.

Assuming received requests exceed the funding available, these criteria will be applied for selection. Each will be applied individually and in order until the funding amount for the category is reached. The final award in either category may be for less than \$400 or 50% of the activity costs.

- Number of productions in which applicant has participated.

- Number of productions in which applicant fulfilled an offstage role. Note: attendance at a Saturday work day for a production in which the applicant was a cast member shall not count as an offstage role.
- Date of most recent production participation.
- For college scholarships, an intended field of study in the performing arts.
- Grade point average.
- A vote of the majority of OSHP Board members not in the immediate family of the applicant in executive session based solely on the narrative submitted.

The scholarships will be announced on the OSHP Web site by May 1. Where practical, a Board member will also formally present the scholarship at an appropriate function at the winner's high school or at an OSHP membership event.

For college scholarships, each winner will receive the scholarship money after submitting proof to the OSHP treasurer of enrollment at the designated college and indicating the payee for the scholarship (school, student, parent, etc.). If the treasurer does not receive the required information by September 24, 2021, the scholarship will be forfeited. If the winner's choice of college changes after the scholarship is awarded, the Board must be informed prior to disbursing the payment.

For camps and workshops, the winner will receive the scholarship money upon submitting proof to the OSHP treasurer of enrollment in the designated activity. If the winner subsequently does not attend or complete the activity, OSHP must be reimbursed for the scholarship.

OSHP Board members are not eligible for any of these scholarships.
